REASONS FOR ALLOWANCE

1. This Office Action is responsive to the Amendment filed on 1/13/05.
2. Claims 1, 4-18, 20-22 and 24-31 are allowed.
3. The following is an examiner's statement of reasons for allowance:

References (6393074), (5509020), (6112325), (6175590), (5878098) and (6205130) are additionally cited because they are pertinent to the claimed invention.

-Regarding to independent claims 1, 15, 18, 22 and 29, none of prior art of record teaches or suggests a method and associated system as claimed. Tidemann, Jr et al (6,108,372), previously cited, fails to teach the limitation "the frame further includes a format indication corresponding to a first formats wherein a permissible format indication corresponds to each of said plurality of permissible formats and wherein said metrics are a function of the format indication and the corresponding permissible format indication". It would not have been obvious for one skilled in the art to implement Tidemann, Jr et al in view of other prior art of record in order to lead such an implementation to the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuong Phu whose telephone number is 571-272-3009. The examiner can normally be reached on M-F (6:30-2:30).
